Requests to tour group leaders / tour organizers

- Please make sure that all visitors are aware of the Museum Rules and ask them to observe them when they visit the museum. Please provide guidance to your group appropriately.
- Please handle the interactive exhibits with care and return them to the original locations after use.
- The museum does not use the PA system for tour group announcements. Please decide on a meeting time and place in advance before entering the museum.
- Please be considerate of other visitors when using notebooks and pencils in the museum.
- If you need a room for rest during the tour, such as if someone is sick, please ask a staff member. The museum cannot provide medical assistance.
- Eating and drinking is permitted in the front yard (lawn area), open terrace, and the upstairs seating area (there is a space to consume your own food and beverages). Please be considerate of others when these areas are crowded.
- Please take your garbage with you.
